THE CHURCH'S FINEST HOUR - ARE YOU IN?

Letter from Christopher Dart

Beloved in Christ,

Did you see the gathering of dark, spiritual powers and principalities on the southern horizon of the U.S., years ago, after the Tsunami? This was a call for us to fast and pray for the nation, our president and all those in leadership of this country. Most particular attention should have been focused on intercession for those in the leadership of the Church.

Soon, we were to hear of Katrina hitting, in perhaps the spiritually darkest place of the nation, which indulges in flagrant voodoo, witchcraft, sex, etc.

Her sister city produced the vilest men to be our national leaders who strut about freely. The National Day of Prayer was ignored and this nation was pronounced no longer Christian.

Psalm 12:8

The wicked walk on every side, when the vilest men are exalted.

Ramadan concludes on Saturday. Our president is participating in Ramadan along with the Emergent Church.

Activities and programs are sterile when fighting the enemy. Fight the enemy, we must. Be not found sleeping. Watch and pray. Those are end-time commands of Yeshua HaMashiach. We must not ignore His commands, focusing on church attendance, believing that's good enough. Jesus gave all for us. We are called to walk in His steps. Repentance, fasting and prayer is our lethal weapon to the enemy.

This is the Church's finest hour, Beloved. We must stand up and do battle. We have already stood up for what the Founding Fathers intended for our nation. Now it's time to rise to our knees in fasting and prayer for the repentance and revival of the Church, salvation of souls and preparation for the return of the Master.

Grace and peace,
Christopher

OBAMA AND THE TEMPLE OF SATAN

by Pastor Jackson Morro

In Revelation, Chapter 2, verse 13, the risen Lord Jesus spoke to the Church at Pergamum. They were strongly persecuted. The Lord encouraged them and told them their persecution was great because the earthly throne of Satan was at Pergamum. What was the Lord Jesus referring to?

There was a huge extravagant temple dedicated to the top Greek god Zeus located at Pergamum. All kinds of perverse sacrifices and worship were made to many false gods at Pergamum's temple of Zeus. The risen Lord Jesus and early Christians call this temple *Satan's throne on earth*.

Reconstruction of the great altar at Pergamum

Eventually, this temple fell into ruins. However, at the 2008 Democratic Convention, Barack Obama designed a temple as background for his acceptance speech. Obama's temple is a remarkable likeness to Satan's throne (Zeus' temple).

Accident? Coincidence? Pastor Morro feels "No." Obama did this on purpose because Satan brought him to power. Let's remember the apostle Paul's warning about the Antichrist: "And then that lawless one will be revealed... that is the one whose coming is in accord with the activity of Satan, with all power, and signs, and false wonders." (2 Thessalonians 2:8-9)

**SWINE (H1N1) FLU:
RUN, DON'T WALK
AWAY FROM VACCINATIONS!**

“Every day, bad things happen to people,” says Dr. Daniel Salmon, vaccine “safety specialist” for the Department of Health and Human Services. “When you vaccinate a lot of people in a short period of time, some of those things are going to happen to some people by chance alone.”

So is this a chance we want to take?

It is amazing how a doctor or an organization can tell you that you “need” a vaccination – one that hasn’t even been tested to the point we know all its side effects, and one that already is reported to have several negative side effects – and the masses rush to get the vaccination once it becomes available.

The devil has blinded the whole world that what is truly bad for us is “good” and that what is good for us is something we should avoid. Mercury in the Thimerosal (a preservative) in the regular lot of vaccinations given to innocent babies results in autism and other types of brain damage, but this truth is stifled because there is too much money to be made with vaccines, and money is more important than lives of children. This same Thimerosal is in the H1N1 vaccines.

According to Naturalnews.com, “Studies indicate that mercury tends to accumulate in the brains of primates and other animals after they are injected with vaccines. Mercury poisoning has been linked to cardiovascular disease, autism, seizures, mental retardation, hyperactivity, dyslexia and many other nervous system conditions.”

A September 2 article on Infowars.com tells us that the H1N1 vaccine also includes squalene: “Squalene is linked to autoimmune illnesses including multiple sclerosis, rheumatoid arthritis and lupus. The oil-based adjuvant is largely responsible for Gulf War syndrome, a deadly and debilitating disease that has claimed the lives of hundreds of thousands of U.S. service personnel since the conclusion of Bush Senior’s war against Iraq.”

When we take a vaccination, we are letting doctors or nurses shoot poison into us.

In 1976, vaccinations against a different type of swine flu resulted in cases of Guillain-Barre syndrome, which is when the body’s immune system attacks part of the nervous system, resulting in limited muscle function and paralysis. This round of vaccines is also responsible for the deaths of more than two dozen people by respiratory failure due to loss of muscle function.

Again – do we want to take this chance? But more importantly – what would *God Himself* say regarding these vaccinations? The same God who was

displeased that King Asa of Judah (2 Chronicles 16:12) went to physicians instead of seeking healing from Him? The same God who gave Moses a brass serpent (Numbers 21:9) so that the Israelites could look upon and be healed? The same God who sent His Son Jesus to take away the physical illness of any afflicted person who calls upon Him?

Even professionals – most who are not people of faith, but do trust in science and medicine – are refusing to take the vaccines. Reports around the world are indicating that over half of doctors, nurses and other health professionals are not going to take the new H1N1 vaccine. This is very telling.

Dr. Leonard Horowitz, a medical researcher trained at Harvard University says, “The truth is that vaccines aren’t effective, generally carry dangerous side effects, and in many cases actually fuel the spread of pandemics. The fact is that most healthcare workers know this, and they don’t trust that any swine flu vaccine will do anything but cause more problems and potential harm to the patients they care for.”

Please pray for direction if at this point, you plan to get yourself or your children vaccinated. God will lead you out of any snare of the enemy and keep you from harm.

THE AUDACITY OF MAN CONTINUES....

According to a recent WorldNet Daily report, a homosexual man in Canton, Michigan, Bradley LaShawn Fowler, is suing Tyndale House Publishers for causing him “mental anguish” for publishing 1 Corinthians 6:9 in its New Living Translation Holy Bible and New Life Application Study Bible.

Fowler, who represents himself, also filed cases against two other publishers of Bibles, Zondervan and Thomas Nelson Publishing.

What is he going after the publishers for? His real gripe is with God, the LORD of the Universe. Perhaps he doesn’t challenge God, because against Him, he can’t win.

Fowler made a statement online, “One Bible dictates homosexuals will not inherit the Kingdom of God, while the other is completely void on the issue altogether.”

I’m not sure how he could ever get the idea that any Bible is “void” on the issue, but I know *the real* Word of God says that homosexuality is an abomination (Leviticus 18:22), calls the practice “against nature” (Romans 1:26), and says anyone who engages in such practices will inherit the consequences in their own body (Romans 1:27).

He says the newer translations of 1 Corinthians 6:9 say that homosexuals will not inherit the Kingdom of God, where some previous translations use the word “effeminate” in place of “homosexuals.”

What is “effeminate” anyway? An emasculated, feminine or sissified man. We should have no problem figuring out that the Word of God intends the term “effeminate” to identify homosexuals.

Both older and newer versions of 1 Corinthians 6:9 explain that “fornicators” also will not inherit the Kingdom of God. If Fowler lives in Michigan, where “gay marriage” is not legal, and he engages in sex acts with other men, does that not make him not only an effeminate man and homosexual, but also a fornicator? So isn’t he not able to enter the Kingdom of God no matter how one reads this scripture?

By the way, he is suing for 10 million dollars to compensate for his “anguish.” Well, it is true, after all, as Solomon in Ecclesiastes 10:19 cynically states, “Money answereth all things.”

And it is also sadly true now that people who take offense to the Word of God think it’s OK to, in essence, sue the Sovereign God of the Universe, that the world’s inhabitants, for the most part, have gone off the deep end.

OBAMA: GOD’S CASE IN POINT FOR WHY A PEOPLE SHOULD NOT HAVE AN EARTHLY KING

God wanted to be Israel’s King, but Israel insisted upon having a human, earthly king. Against all God knew to be true of what a human king would do, He allowed Israel a king, but gave them a warning:

From 1 Samuel 8, we read, and can gather what is actually happening in today’s world:

7And the LORD said unto Samuel, Hearken unto the voice of the people in all that they say unto thee: for they have not rejected thee, but they have rejected me, that I should not reign over them.

“I am king of the world!” - Barack Obama while boarding Air Force One in October 2008

“I don’t think it [a same-sex union] should be called marriage, but I think that it is a legal right that they should have that is recognized by the state. If people find that controversial then I would just refer them to the Sermon on the Mount, which I think is, in my mind, for my faith, more central than an obscure passage [1:18-31] in Romans.” - Barack Obama, using the Sermon on the Mount to justify gay unions while rejecting Romans 1.

8According to all the works which they have done since the day that I brought them up out of Egypt even unto this day, wherewith they have forsaken me, and served other gods, so do they also unto thee.

“I will stand with them [the Muslims, Arabs] should the political winds shift in an ugly direction.” - Barack Obama in *The Audacity of Hope*, pg. 261.

9Now therefore hearken unto their voice: howbeit yet protest solemnly unto them, and shew them the manner of the king that shall reign over them.

10And Samuel told all the words of the LORD unto the people that asked of him a king.

11And he said, This will be the manner of the king that shall reign over you: He will take your sons, and appoint them for himself, for his chariots, and to be his horsemen; and some shall run before his chariots.

The internet is swarming with videos of United States schoolchildren, both very young and in their teens, singing Obama’s praises—little tunes about how he’s going to change the world, along with chants of his name. The indoctrination of these young minds can be compared to the Hitler Youth of Nazi Germany. One tune sung sounds much like “Jesus Loves The Little Children,” with lyrics that say, “Barack Hussein Obama... he said red, yellow, black or white, all are equal in his sight...”

12And he will appoint him captains over thousands, and captains over fifties; and will set them to ear his ground, and to reap his harvest, and to make his instruments of war, and instruments of his chariots.

Obama’s 32 “czars” - everything from “Car Czar” to “Drug Czar” to “Mideast Peace Czar” to “Great Lakes Czar” to “Domestic Violence Czar” to... the most ironic of all, “Stimulus Accountability Czar” - are nothing but a war on *freedom!* The word “czar” means “emperor or king.” In other words, dictator. The fact that there are *so many of them* emphasizes that our government has grown out of control, like the hungry beast on the prowl that it is, with more power than it has ever had.

If you have a chance, do a search online for a list of them. Check their backgrounds, history of “service,” and what they stand for. For the most part, they are farther left than left gets and as anti-God and anti-America as any Muslim terrorist. Many of them are sheer criminal in their radical ideas on abortion, homosexuality, population control and Socialism.

13And he will take your daughters to be confectionaries, and to be cooks, and to be bakers.

Of course, the job descriptions in this scripture apply to the king’s kitchen in the times it was written, but have you noticed Obama is insistent on appointing women simply for their gender? If he hires a man, it seems there is an unwritten code that he must be of a minority race, Jewish or a homosexual. The women are appointed on the basis that they are women, but there are plenty of lesbians and minority women that need not have leadership credentials to find a position in his administration.

Isaiah 3:12 mentions women ruling over a nation as a curse.

14And he will take your fields, and your vineyards, and your oliveyards, even the best of them, and give them to his servants.

15And he will take the tenth of your seed, and of your vineyards, and give to his officers, and to his servants.

16And he will take your menservants, and your maidservants, and your goodliest young men, and your asses, and put them to his work.

17He will take the tenth of your sheep: and ye shall be his servants.

Tax, tax, tax. Obama came to power by lying that he would not increase taxes on the middle class, but once taking office, he has proposed multitudes of Socialist programs that will inevitably tax everyone. The taxes, penalties, and tighter noose around the neck are in the works and on the way. The tax hikes are to affect the rich and the middle class alike. Don't forget, our taxes also fund the perks of Congress.

"...Ye shall be his servants." Instead of the president working for the people, it is obvious that we work for him.

18And ye shall cry out in that day because of your king which ye shall have chosen you; and the LORD will not hear you in that day.

19Nevertheless the people refused to obey the voice of Samuel; and they said, Nay; but we will have a king over us;

20That we also may be like all the nations; and that our king may judge us, and go out before us, and fight our battles.

21And Samuel heard all the words of the people, and he rehearsed them in the ears of the LORD.

22And the LORD said to Samuel, Hearken unto their voice, and make them a king. And Samuel said unto the men of Israel, Go ye every man unto his city.

And so the nightmare has begun. Many who were swept away in the demonic chants of "hope and change" and "Yes, we can!" may be seeing a little more clearly now and realizing what they have done.

But it's too late now. Barack Obama is God's curse upon this country. Even in appeasing Israel, God tried to give them kings who would live righteously, but many of them failed. He had to let the immoral leaders rule when the people wanted them. That is His nature, to let man make his own mistakes.

Although there have been many oppressive kings and leaders throughout history, Barack Obama is the ultimate fulfillment of God's prophecy through Samuel as to what a human, earthly king would do to a country. The things we hear along the way – such as the Cash For Clunkers website stating that use of their site means your computer becomes "government property," or Obama's covering up the IHS (symbol for Jesus Christ) at Georgetown to give a speech, or

Obama's "Director of the Office of Safe and Drug Free Schools," Kevin Jennings, founding a group (GLSEN, or the Gay, Lesbian and Straight Education Network) that promotes "fisting" and other odd sexual abominations in front of teen audiences – let us know we have the most immoral, oppressive, downright frightening president ("king") and administration ever to come to a nation. And he does "lead the world."

Once more we learn – GOD WAS RIGHT AGAIN! Is He ever wrong?

G20 RULES

So much for the group of countries that comprise G8 meetings regarding world governmental dominance. They are scrapping the old G8 and making the G20 the grouping that goes forward. More nations will be involved in the global economic decision making system, or modern Tower of Babel, that smirks at God with every ridiculous surmising it puts forth.

"Global warming" was less discussed this time around in Pittsburgh during the week of September 21-25 than economic issues. The G20 intends to make it a priority for their next meeting of fools professing to be wise in Copenhagen later this year.

Meanwhile, according to a Spiegel Online International report: "German climatologists are pushing for the creation of a 'world climate bank' which would allow industrialized countries to purchase emission rights from less-developed nations. The revenues would enable poor countries to finance environmentally friendly economic development."

And we can be sure they will have the backing of our worldwide government. Aren't you on the edge of your seat just waiting for this next G20 meeting?

Obama announced at this meeting, "We brought the global economy back from the brink. We laid the groundwork today for long term prosperity."

Whose prosperity? Back from the brink of what? Our better yesterdays so that we can fall into the peniless abyss of tomorrow (when we're casting our gold and silver into the streets) created by a group of Nazi-esque lunatics who call themselves the G20?

Does He that sitteth in the heavens ever laugh! *We must know the return of Jesus is very, very near!*
