AL GORE'S SNOW JOB

As the world "leaders" finished up their Copenhagen conference to tax world citizens for breathing out carbon dioxide, and thus causing worldwide temperatures to rise (a lie), an historic blizzard and bone-chilling temperatures affected 50 million Americans in the middle Atlantic, south and Northeast on December 18-20, 2009. DC was one of the hardest hit areas.

Perhaps God is trying to tell us something. And if He is, the world will not listen. The Beast system has arisen, and whether we like it or not, we are now the prey of the UN and world government. They can speak lies and make oppressive laws based on those laws, and the average person is expected to sit quietly and take it.

Is anyone in government aware that God knew what kinds of gases would betide the atmosphere when He created us? The earth can sustain man and man can live on the earth just fine. I still believe that God knew what He was doing, even if governments insist on feeding us a daily diet of lies.

Leviticus 18:25 tells us, "And the land is defiled: therefore I do visit the iniquity thereof upon it, and the land itself vomiteth out her inhabitants." This is a spiritual matter. The sin of mankind makes even the earth rumble. The only reason the temperatures and weather patterns have been so nasty and unpredictable in the past few decades is because sin has snowballed to this extent. (Snow pun not intended, but somehow currently appropriate for those snowed-in 50 million Americans...)

Now, regarding the weather in Denmark for the very week of the conference, the Dutch Meteorological Institute called for heavy snowfall and a drop in temperatures during the week to 10 degrees (-12 Celsius). A Bloomberg article from December 17 is titled, "Blizzard Dumps Snow on Copenhagen as Leaders Battle Warming." I hope Al Gore packed his snow suit along with his Bermuda shorts.

GLOBAL WARMING???

His article leads to a list of this past centuries' headlines regarding "global warming" compiled by Tim Blair)

There's no global warming in Texas since it was 23 degrees at my house Monday (12/14) night and hasn't been a lot warmer since then. But then the cold is because of global warming according to the "screamers" in Copenhagen.

This farce has been going onward and onward since 1881, lead by the same types who lead the doom and gloom of the sky is falling mantra today. Ask your "progressive" buddies to explain just exactly why we are all not living on boats, at least those within a few hundred miles of the coast line. According to the forecasts made in this long time period the earth should be nearly covered by now or at least NY and California would have disappeared.

If you note there is a time line missing on "warming" (see article following this), that would be from '79 to '82. If you remember, that is when the world was facing the end of civilization as we know it because the earth was going to be covered over by ice within 20 years. I guess the market for coal dust to aid in melting the ice didn't sell well with real thinking folks in those days and the "ice age" melted into the obscurity of someone's fevered mind.

The only difference in the worshippers of GW from 1881 until now is they didn't have a high priest who has figured out how to scam the world by selling carbon credits. They have now figured out how to take a natural occurrence and turn it into a cash cow.

Get real, folks, the so-called crisis is only a crisis to those who stand to make the most and gain the most control.

I am sure that those who worship at the altar and followers of the High Priest, the Left Rev. Albore, will deny that these headlines ever existed but surely they must believe their own propaganda rag, the NYT.

You have to love the last one on this list (see following article).* These nuts can't even keep a straight time line or didn't bother to research their own

propaganda one.

The other gap is from '83 to '99 . I don't know what happened from '83 to '92 but Al was too busy playing VP to spread his gospel manure from '92 to '99.

I hope you enjoy reading this and will pass it along to those who have converted to the religion of GW.

SCRIPTURES FOR THE UN, OUR CURRENT GLOBAL "LEADERS," COPENHAGEN ATTENDEES, & NAZI NATIONAL HEALTHCARE PUSHERS

A false witness shall not be unpunished, and he that speaketh lies shall perish. (Proverbs 19:9)

15Because ye have said, We have made a covenant with death, and with hell are we at agreement; when the overflowing scourge shall pass through, it shall not come unto us: for we have made lies our refuge, and under falsehood have we hid ourselves:

16Therefore thus saith the Lord GOD, Behold, I lay in Zion for a foundation a stone, a tried stone, a precious corner stone, a sure foundation: he that believeth shall not make haste.

17Judgment also will I lay to the line, and righteousness to the plummet: and the hail shall sweep away the refuge of lies, and the waters shall overflow the hiding place.

18And your covenant with death shall be disannulled, and your agreement with hell shall not stand; when the overflowing scourge shall pass through, then ye shall be trodden down by it.

(Isaiah 28:15-18)

The men of Nineveh shall rise in judgment with this generation, and shall condemn it: because they repented at the preaching of Jonas; and, behold, a greater than Jonas is here. (Matthew 12:41)

For whosoever exalteth himself shall be abased...

(Luke 14:11a)

CONSULTATION WITH THE DEAD IS ALIVE AND WELL IN AMERICA

According to a WorldNet Daily article by Chelsea Shilling, posted December 14, which reported the findings of the Pew Forum's "Many Americans Mix Multiple Faiths" report, "the number of Americans who say they have interacted with a ghost has doubled in the last 13 years."

Also found in the report is that Democrats are much more likely to channel spirits or involve themselves in supernatural (not Christian - but supernatural) activities than Republicans. According to the Pew Forum report, "Conservatives and Republicans report

fewer experiences than liberals or Democrats communicating with the dead, seeing ghosts and consulting fortune-tellers or psychics.”

Considering we are only to look to God for spiritual help and guidance, and there are curses that come from consulting evil spirits (what people believe to be “ghosts” are evil spirits), this says a lot about liberals. But it says a lot about our nation in general as well - how far off track we have come from the truth.

Below is the chart of the findings, broken down by people groups and their involvement with false supernatural occurrences. The sad thing to find is that many who claim to be Christians are doing these same things, forgetting the LORD’s warning from Deuteronomy 18:

10There shall not be found among you any one that maketh his son or his daughter to pass through the fire, or that useth divination, or an observer of times, or an enchanter, or a witch.

11Or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer.

12For all that do these things are an abomination unto the LORD: and because of these abominations the LORD thy God doth drive them out from before thee.

13Thou shalt be perfect with the LORD thy God.

THE RINGING OF THE BELLS FOR WORLD POWERS AND MOTHER EARTH

The World Council of Churches, comprised of 348 Protestant, Orthodox and Anglican churches (560 million pseudo-Christians worldwide), called upon these churches to ring bells for climate salvation on December 13 at 3 p.m. at each congregation’s local time.

The bells rang 350 times at each location to signify, according to the Council, “the 350 parts per million that mark the safe upper limit for CO2 (carbon dioxide) in the atmosphere according to many scientists.”

This was to coincide with the meeting of world leaders in Copenhagen to discuss taxing the average human being for breathing.

Well, the redeemer of the World Council of Churches liveth, and they have proven that it is not Jesus Christ. They, like even non-religious and mind-numbed robots, seek salvation in the form of a world body of Nazi-esque leaders.

If people would just seek to have their souls saved through Jesus Christ, they wouldn’t have to spend so much time trying to “save the planet.” All of nature would be in balance again if mankind would just repent and follow the One True God. But instead, they choose their gimmicks and games - some even doing so in the name of Christianity.

THE RELIGION OF GLOBAL WARMING

While most leaders are running around like cockroaches trying to escape the light of truth, Czech President Vaclav Klaus said at the close of the Copenhagen conference that global warming fanaticism has become a religion, rather than a science. He is correct.

A global warming skeptic for some time, Klaus said in an interview with Fox News, “I’m convinced that after years of studying the phenomenon, global warming is not the real issue of temperature. That is the issue of a new ideology or a new religion. A religion of climate change or a religion of global warming. This is a religion which tells us that the people are responsible for the current, very small increase in temperatures. And they should be punished.”

He continued, “I’m absolutely convinced that the very small global warming we are experiencing is the result of natural causes. It’s a cyclical phenomenon in the history of the Earth. The role of man is very small, almost negligible.”

Scientifically the role of man is very small, yes. Spiritually, it is another matter. Man does not want to see this.

Klaus is just a small voice of reason on this one issue. There are many other lies being fed to the world by many government leaders.

So many have been turned over to their own ways of thinking, even by God, because they have turned away from the truth at every chance they ever had. So these great lies of the end times are blinding the whole world. These lies tell men, “We’re from the world government, and we’re here to help you.”

The world is truly ready for the Antichrist.

“For the heart of this people is waxed gross, and their ears are dull of hearing, and their eyes have they closed; lest they should see with their eyes, and hear with their ears, and understand with their heart, and should be converted, and I should heal them.” (Acts 28:27)

Who, today, wants to hear and to understand and to experience healing? Time is short.

ANOTHER OBAMINABLE STATUE

On December 10, in Taman Menteng Park in Jakarta, Indonesia, a statue of Barack Obama as a boy was unveiled.

Many Indonesians are proud of the fact that Obama lived in Jakarta as a boy, from 1967 to 1971, with his mother and Indonesian stepfather. There he attended a Muslim school and went by the name “Barry Soetero.”

The idea for the statue came from a resident of Jakarta, Ron Mullers, who wanted the statue to inspire children to “follow their dreams.” The \$10,000 statue was created by money donated by Indonesians as well as a local television station and disaster relief charity.

There are more idols around the world erected to honor Obama than any of us can count. What is this mysterious hold over people that he has? Now he is even being honored for his boyhood. How dulled have the minds of human beings become?

In any case, the Obamenon continues....

SIGNS IN THE HEAVENS: MYSTERIOUS BLUE LIGHT WELCOMES OBAMA TO NORWAY

Just as Obama entered Norway to accept his Nobel Peace prize for accomplishing nothing, a mysterious spiral and blue light appeared over the northern part of the country. According to a Mojopolitics.com article, the light display “left thousands of residents in the north of the country baffled.

“Witnesses from Trøndelag to Finnmark compared the amazing sight to anything from a Russian rocket to a meteor or a shock wave – although no one appears to have mentioned UFOs yet.

“The phenomenon began when what appeared to be a blue light seemed to soar up from behind a mountain. It stopped mid-air, then began to circulate.

“Within seconds a giant spiral had covered the entire sky. Then a green-blue beam of light shot out from its centre – lasting for ten to twelve minutes before disappearing completely.

“The Norwegian Meteorological Institute was flooded with telephone calls after the light storm – which astronomers have said did not appear to have been connected to the aurora, or Northern Lights, so common in that area of the world.

“The mystery deepened... as Russia denied it had been conducting missile tests in the area.”

According to David J. Meyer of Last Trumpet Ministries, a spiral is an occult symbol.

In signifying end-times patterns, Jesus stated, from Luke 21:11, “And great earthquakes shall be in divers places, and famines, and pestilences; and fearful sights and great signs shall there be from heaven.”

It seems all things are falling into place. I reiterate as always, the time to draw close to God is NOW.
